Verification Flow

About eKYC

A fully digital e-KYC solution enables instant identity verification via OCR, biometric liveness, and Election Commission data validation.

Why eKYC?

Manual KYC is slow and paper-based. Our e-KYC platform delivers fast, secure, and regulator-ready digital onboarding.

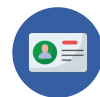

What You Gain

- Fast Onboarding
- Fraud Reduction
- Better Experience
- Regulatory compliance
- Digital verification

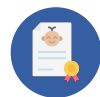

Multi Document OCR Support

Supports multi-document OCR beyond National ID for flexible onboarding.

Supported Documents

Nominee NID

Birth Certificate

Student ID

Job ID Card

Visiting Card

Utility Bills

Designed for Enterprises

- Secure API Integration
- Advanced Similarity Checker
- Real-Time Verification
- High accuracy OCR & Biometrics
- Suitable for high-volume use
